## 2024MY All Electric Class 1 Cargo Van

MSRP **\$34,500**

Eligible for up to \$7,500 Commercial Clean Vehicle Credit\*\*

\* Preproduction model shown. Based on current specifications and subject to change.

\*\*Commercial Clean Vehicle Credit is an available federal tax credit from the Internal Revenue Service (IRS).

The all-electric Mullen ONE is anticipated to be the first Class 1 commercial electric vehicle in the U.S. market. The Mullen ONE was created to provide better fit within narrow urban streets and residential roads without sacrificing payload or cargo space. With overall height less than 6 ½ feet, your driver can park their Mullen ONE vehicle in a typical residential garage.

### Mullen ONE Limited Warranties

- 3Y / 36K Bumper to Bumper
- 3Y / 36K Rust Perforation Coverage
- 8Y / 100K High Voltage Battery
