## High-Performance Sport EV Crossover

### 6 / 4 Piston Carbon Ceramic Brembo Brakes

Paired with High-  
Performance  
Wheel and 21" / 22"  
Tire Package

### Ultra-Performance Race-Track Mode

to Adjust Throttle Map,  
Powertrain, Battery  
Cooling, Damper, and  
Steering Feel Drive  
Settings

### PERSONA, AI-based Personal Vehicle Assistant

Integrated Infotainment  
with Facial Recognition  
Technology

### Racing Inspired Luxurious Interiors

Carbon Door Inserts  
and Seat Backs with  
Premium Nubuck  
Leather and Alcantara  
Trim

The Mullen FIVE RS, a symphony of power and elegance, is the race-ready performance variant of the Mullen FIVE. Beneath its exquisite exterior lies a technological marvel that harnesses the power of an 800-volt architecture, feeding dual motors to produce over 1,000 HP. All that power is put to the road through the high-performance wheel and tire package wrapped around carbon ceramic Brembo brakes. The FIVE RS seamlessly blends beauty, power, and efficiency to redefine the boundaries of mechanical and electrical performance.

DIMENSIONS & CAPACITY	
Length	193 in.
Width without Side Mirrors	80 in.
Width with Side Mirrors	85 in.
Height	64 in.
Wheelbase	116 in.
Curb Weight (Target)	5070 lbs.
Ground Clearance	6.7"
Number of Seating Positions	4
Cargo Volume (Seats Up / Seats Down)	25.6 / 62.4 ft <sup>3</sup>
ELECTRIC DRIVE UNIT	
Drive Configuration	All-Wheel Drive (AWD)
Number of Motors:	2
Motor Type	PMAC
Peak Vehicle Power	> 1000 HP
Peak Vehicle Torque	> 850 ftlbs
Max Motor RPM	12000 RPM
Number of Transmissions	2
Transmission Type	Sequential
Number of Gears	2
HIGH VOLTAGE BATTERY SYSTEM	
Nominal Pack Voltage	800V
Pack Capacity	100 kwh
Targeted Range	Up to 300 miles
Charging Time	
Level 2 Charging (0-100%)	≤ 11.5
Level 3 Charging (0~80%)	≤ 0.35hr
PERFORMANCE TARGETS	
Top Speed	≥ 200MPH
Acceleration 0-60 MPH	< 2.0 sec
Braking Distance 100 - 0 KPH	≤ 110 ft

WHEELS	
Front/ Rear Rims (STD)	21" X 11"
Front/ Rear Tires (STD)	315/35R21
Front Rim (Optional)	22" X 9.5"
Front Tire (Optional)	275/35R22
Rear Rim (Optional)	22" X 11"
Rear Tire (Optional)	315/30R22
BRAKING SYSTEM	
Front Brakes	
Caliper	6 Piston
Rotor	400mm, 2 Piece Carbon Ceramic
Rear Brakes	
Caliper	4 Piston
Rotor	370mm, 2 Piece Carbon Ceramic
FEATURES AND FUNCTIONS	
Persona System	Standard
ADAS Level	2+
Front Seating	Sport Bucket
Heated and Ventilated Seats	Standard
Rear Seating	Sport Bucket
Heated Seats	Standard
Infotainment	Premium Speaker System with Integrated Navigation, Apple Carplay, and Android Auto Compatible.
Power Gesture Liftgate	Standard
Customizable Interior and Courtesy Lighting	Standard
Panoramic Glass Roof (U.S. Only Version)	Standard
Regeneration Settings	Adjustable with One Foot Driving
Drive Settings	Normal, Sport, Track
Center Console	Full-length
Integrated Fold-flat Bulkhead	Stow-away Rear Seat Bulkhead
RS Sport Interior Trim	Alcantara/Nubuck/Carbon
RS Sport Audible Experience	Exterior Audio
TRACSTARS Digital User Interface	Unique UX/UI Track Mode
